

Staying 1.5 metres apart is always the norm

If you have symptoms:

Stay home.

Get tested.

If you have a fever and/or shortness of breath, anyone you live with should also stay at home.

Work from home if possible.

Stay 1.5 metres away from others.

Avoid busy places.

Wash your hands often.

From 1 July the following rules apply:

Indoors and outdoors

Can people keep moving through the space and limit contact with each other?

No maximum number of people.

Do people have their own seat? Have they made reservations and undergone a pre-entry health check?

No maximum number of people.

Loud group singing or group shouting is not permitted. Neither is group chanting.

Nightclubs and similar venues will remain closed.

Indoors

No reservation and no pre-entry health check?

Maximum number of people limited to 100, each with their own seat.

Outdoors

No specific seat, reservation or pre-entry health check?

Maximum number of people limited to 250.

Guests must always have their own seat in outdoor seating areas at restaurants, cafés and bars.

Transport

Passengers can now use all seats.

In public transport

Non-medical face masks must be worn.

Avoid peak hours.

In passenger transport like coaches, taxis and passenger vans

Pre-travel health check, non-medical face masks and reservations are mandatory.

In private vehicles

Non-medical face masks are advised if there are 2 or more people in the vehicle who belong to different households.

The 1.5 metre rule does not apply to:

Children and teenagers aged 17 and under

Athletes, actors and dancers

Members of the same household

People in contact-based roles

People who require care

Terraces with hygiene screens

Restrictions can only be lifted if we can keep coronavirus under control.

**alleen samen krijgen we
corona onder controle**
